Club Roster Form

Each member of the club who participates in club flying activities must be an AMA member (Junior, Senior, Open, Park Pilot, Three-Month Trial, or Affiliate) or be a current member of the Model Aeronautics Association of Canada (MAAC).

New clubs: List all club members.
Renewing clubs: List only new club members or club members who should be deleted from the club roster.

Do not list club officers on this form.

Club officers are encouraged to update the roster online in the "Members Only" section of our website www.modelaircraft.org**.** To update club rosters you have to make sure that you have an AMA Web account and that the account is linked to your membership. This is how the system will verify that you are a current club officer. You can find some assistance on how to sign up and link your membership at www.modelaircraft.org/membership/membership/gettingstarted.aspx. After you have completed that step you should be able to access the roster.

If you are not able to take advantage of our online tools, please forward this sheet to AMA HQ with your updates on a monthly basis.
