AMA clubs present $100,000 to Wounded Warrior Project

Through National Model Aviation Day celebrations across the country and the efforts of modelers at approximately 200 AMA chartered clubs, the Academy of Model Aeronautics Foundation raised $100,000 in support of the Wounded Warrior Project. The check was presented to Warrior Speak representative Norbie Lara on January 10, during AMA Expo in Ontario, California.

EAA and CEA become supporters of KBYF Campaign

Thank you to the Experimental Aircraft Association (EAA) and the Consumer Electronics Association (CEA) for signing on as Supporters of the Know Before You Fly (KBYF) campaign. The two groups have endorsed the program, and its focus on safety. The KBYF campaign provides prospective operators of unmanned aircraft systems (UAS) with the information and guidance they need to fly safely and responsibly. The effort is being spearheaded by the Association for Unmanned Vehicle Systems International (AUVSI), Academy of Model Aeronautics (AMA), and the Small UAV Coalition in partnership with the Federal Aviation Administration (FAA).

AMA Expo was a success

The AMA team would like to thank everyone who attended or participated in this year's AMA Expo, held January 9-11 at the Ontario
