

Club name _____ Club # _____

Flying Site Information

The information we are requesting is to help us locate all the flying site locations used by AMA chartered clubs throughout the United States. We will associate these locations directly with your club and publish the data on our website under the "Find a Club" tool. We understand that some locations may have accessibility restrictions. Please indicate if the location *cannot* be published.

If your club has multiple flying sites, please complete a copy of this form for each.

Flying site name (if multiple sites) _____

View a quick video to help you find your flying site's coordinates at www.modelaircraft.org/clublatlong

GPS coordinates: Latitude _____ Longitude _____
Please use decimal format, e.g.: 40.17647, -85.32540 Do not publish

Does your club own or rent/lease the property?

Own Rent/lease Other _____

If the club does not own the property, who is the landowner?

Private Federal State County/City Other _____
 Bureau of Land Management US Army Corps of Engineers

Is the flying site at any of these locations?

School Park Full-scale airport

Is this flying site located in controlled or uncontrolled airspace⁴?

Controlled Uncontrolled

Does your club have a Letter of Agreement (LOA, signed after October 2018) with the local Air Traffic Control (ATC) as it pertains to your model operations?

Yes No Don't know

Does your club want or need to provide liability insurance coverage to the landowner? (If club owns property, coverage is automatically provided.)

Yes No

If Yes, please complete the application on the next page.

⁴ If you need to verify if your flying site is in controlled or uncontrolled airspace, please visit www.modelaircraft.org/faauasmap. Enter your flying site address or lat/long information into the address box in the upper left-hand corner. If necessary, zoom out to see if your flying site is in one of the numbered grids.

Club name _____ Club # _____

Application for Insuring Flying Site Owner

Club officer name and position _____

AMA will process your certificate request upon receipt. The insurance certificate will be mailed to the property owner (or emailed if address is provided). The officer designated as the club contact will automatically receive an email copy of the certificate for the club files.

There is a \$85 charge for each "year-round" certificate issued to run concurrently with the club charter. Date-specific certificates for events such as fun-fly, mall shows, etc., are available for \$30.

Please be as accurate as possible when completing this form. You may need to contact the property owner to ensure you have the correct information.

1. Legal name of additional insured/property:

Name and mailing address of the additional insured listed above:

Address _____

City _____ State _____ Zip _____

Email _____

Site location/address: Club meeting location only, no flying activities
