	Signature	Name (printed)	AMA No.
Timer 1			
Timer 2			

Model Processing

The Contest Director will ensure that the restrictions of the model event are met using scales and measuring devices that are accurate. Contest Director please fill in all areas required for processing particular model. (Three-view should also contain this information.)

Wingspan		Total Weight		Fuselage Length	
Wing Area		Stab. Span		Fuse. Cross Section	
Wing Chord		Stab. Chord		Prop. Diameter & Pitch	
Design: (Original, Kit Mfg., Mag. Plan Pub.)		Rubber Strand Length		Overall Length	

- All measurements and restrictions of the model meet the specifications of the AMA rule book and the model or flier is believed to have bettered the existing record of the model aircraft as described herein.
- All criteria pertaining to the timing of the flight are met.
- All information provided on this sheet is accurate.

Contest Director Information

Name: (please print) _____ Signature: _____

AMA No.: _____ Address: _____

City: _____ State: _____ Zip: _____

Daytime Tel.: _____ Evening Tel.: _____

- This report **must be accompanied by a three-view sketch of the model** when it is a non-kit design. The sketch will include all pertinent dimensions, materials, and mechanism notes used for the flight. Illustration will include all information showing that the model meets the rules.
- The information provided on this sheet will be used by the Contest Board for verification. It will be filed in the records of the Academy of Model Aeronautics and may appear in the Academy publications. Submission of this data will in no way interfere with the rights of the designer. Failure to comply with any of these requirements will be considered sufficient cause for rejection of this report by the Contest Board.

For Contest Board Use Only

Approved for Record by _____

Signature _____ Date _____

This application must be accompanied by a three-view sketch of the model when it is a non-kit design. The sketch will include all pertinent dimensions, materials, and mechanism notes used for the flight. The sketch will include all information showing that the model meets the rules.

I represent and warrant that the materials I have provided to the AMA in connection with Paragraph 4. hereinabove ("the materials") do not and will not infringe on (1) any copyright, trademark, patent, or other intellectual property right or any other right of any third party; (2) any local, state, or federal law, rule regulation, decree, or order; or (3) any contract or other obligation to which I am legally bound.

I represent and warrant that I am fully authorized to grant the AMA the right to use said materials.

I grant the AMA the right to file the materials in AMA records, to publish the materials in Academy publications, to post the materials on the AMA website, www.modelaircraft.org, and to make them available to AMA members.

I waive the right to object to the manner in which the materials are used by the AMA or its members.

I have received, read, and agree to the terms and conditions of the AMA's National Records program.
