To all area clubs and organizations:

We are writing to you because you have chosen to belong to something. You are active in your community and committed to a worthy cause or organization. You realize the potential when people come together for a powerful purpose.

Our flying club is in the process of planning an event for our club and our community. We are seeking like-minded people to assist us with our event, not only the day of the event, but the event planning as well.

We feel that if our clubs and organizations can work together and support each other in our endeavors, then we become a much stronger force within our community than if we struggle on independently.

Our event is on June 2, 2008 from 9 am – 5 pm at our club flying field at #4 Two Wing Rd. Our initial planning meeting is May 1, 2008 at 7 pm at the same location. We welcome you to attend! Light refreshments will be provided.

Also, enclosed you will find flyers heralding our upcoming event. Please distribute them among your members. We thank you in advance for your enthusiastic participation in our event and its planning process. If your organization would like to have one of our representatives speak to your group, please feel free to contact us at the above listed telephone number or email address.

Sincerely,

Dead-stick Dan Dumbthumbs
Club President
