Museum Patron Program

The museum patron program allows for the ongoing support of the Frank V. Ehling Complex National Aeromodeling Museum, but does not provide AMA insurance or *Model Aviation* magazine. Patrons' annual contributions* provide for library, model, and artifacts acquisition, as well as restoration.

Contributions also make possible quality displays, lighting, and other refinements, such as video conversion of older film and electronic storage of valuable museum manuscripts and books. Modelers who are museum patrons are also able to serve and advise the museum through service on a variety of museum projects and committees.

The Museum Patron Program supports crucial work of the AMA Museum and the Lee Renaud Memorial Research Library. Vital restoration and preservation work must be done, and the museum must be expanded. Patrons are the driving force behind those efforts.

The *Cloud 9* newsletter is sent to all Museum Patrons. This newsletter keeps Patrons informed on museum development and acquisitions and also provides a forum to express museum needs and allow patrons a unique opportunity to participate in museum plans and operations.

Membership ends at the close of each calendar year, excluding Life Patronage.

* Please note that any amount over \$25 in a given year is tax-deductible for that year.

Patron Categories:

- Patron \$25
Receives *Cloud 9 Newsletter*,
patch, pin, and decal.
- Supporting \$100
Receives Certificate of
Patronage, *Cloud 9 Newsletter*,
pin, patch, and decal.
