
Biography of RAYMOND JUNGSMANN

Written by AMA staff

Transcribed by JS (05/08)

The following was published in the January 1992 issue of Model Aviation magazine. Raymond was a 1991 Charles Hampson Grant Scholarship winner.

Raymond Jungsmann of Buckholts, Texas, was awarded \$3,000. He is a freshman studying Aerospace Engineering at Texas A&M University in College Station.

An avid Radio Control modeler, Raymond's most recent accomplishment is a scratch-built *Roun' Tuit*. He is a member of the Milam County (Texas) Aeromodelers and is a regular participant in flight demonstrations and local contests.

Raymond graduated as valedictorian from C.H. Yoe High School in Cameron, Texas. He was a National Merit Semi-Finalist and a two-year member of the National Honor Society. He also was an active member in the 4-H and the Future Farmers of America (FFA). During the holiday season, he spreads cheer by visiting local nursing homes and singing Christmas carols.
