The following was published in the April 1988 issue of Model Aviation magazine. Christopher was a 1987 AMA Scholarship winner.

Christopher Register, Elizabethtown, North Carolina, began aeromodeling at the age of eight. He is now at the University of North Carolina (Wilmington), where he is majoring in Physics. He is also taking flight training with a goal of entering the commercial aviation field. With more than 20 model airplanes to his credit, he has been featured in Bill Winter's column for his achievements.

Chris feels that the knowledge, friendships, and respect that can be gained from model aviation are a lifelong value. He is attempting to get a model club started in Elizabethtown. Apart from modeling, he enjoys singing in the church choir and assisting the elderly. He has also worked on several community beautification projects.
