Honors:

- 1978: Winner of the Walt Billett Award
-

- Retired design engineer, Lockheed Martin
- Began modeling in the late 1940s, flying Free Flight and Control Line models.
- Entered first AMA contest in 1952, flying a Jasco Floater towline glider.
- Assembled first Radio Control set from a schematic found in a library book.
- Active member of the Twin City Radio Controllers since 1962.
- First pilot in Minnesota to qualify for the League of Silent Flight; 182 worldwide.
- Former president and vice president of the Twin City Radio Controllers.
- Co-founder of and original performer in the Blue Eagles air show team.
- Winner of the Walt Billett Award in 1978. This trophy now resides in the National Model Aviation Museum.
- Current secretary and newsletter editor of the Scale Flyers of Minnesota, Inc., a special interest group that co-sponsors scale events in collaboration with local RC clubs. Co-founded in 1984.
- Frequent contest director and event director.

- Frequent competitor in Scalemasters, AMA Nationals (Nats), Toledo Expo and local flying events. Fourth place in designer scale at the 2001 AMA Nats.
- Top Gun Flight Judge since 2000.
- Author of many articles and stories published in Model Aviation, Scale RC Modeler and RC Modeler magazines.
- Author of 14 published RC designs ranging from open-class sailplanes to giant scale. Ten of these designs have appeared on the covers of these magazines.
- Latest design: “ARADO 96B” in the May and June 2002 issues of RC Modeler magazine.
- Lifetime ambition: to fly an exact scale model of the original Wright Flyer.
