Program:

The Academy of Model Aeronautics seeks to provide hobby-shop owners and retailers with a fast and convenient way to sign up model-airplane enthusiasts as AMA members!

- The program is designed to reward hobby-shop owners and retailers with **\$25.00** for each new adult and **\$25.00** for a senior member, **\$10.00** for each new Park Pilot Program member.
- While youth memberships and three-month trial memberships are available through this AMA retail AMA membership program, no commissions will be paid for these membership types.
- AMA will provide, at no cost to hobby shops, materials including applications, handouts, brochures, counter display etc., which will be used exclusively for this program.
- Every 90 days, the AMA will pay the hobby-shop owner according to the commission schedule for every new member signed up. A new member is defined as anyone who has NOT been an active member of the Academy of Model Aeronautics in the past 5 years.
- Although no commission will be paid for AMA renewals, a store may submit the application for a renewing member.
