2. All criteria pertaining to the timing of the flight are met.
3. All information provided on this sheet is accurate.
4. This report **MUST** be accompanied by a three-view sketch of the model, when it is an original design, with all pertinent dimensions and material notes attesting that the model meets the rules.
5. The information provided on this sheet will be used by the Contest Board for verification. It will be filed in the records of the Academy of Model Aeronautics and may appear in AMA publications. Submission of the data will in no way interfere with the rights of the designer. **Failure to comply with any of these requirements will be considered sufficient cause for rejection of the application by the Contest Board.**

This application must be accompanied by a three-view sketch of the model when it is an original design. The sketch will include all pertinent dimensions, materials and mechanism notes used for the flight. The sketch will include all information showing that the model meets the rules.

I represent and warrant that the materials I have provided to the AMA in connection with Paragraph 4, hereinabove ("the materials") do not and will not infringe on (1) any copyright, trademark, patent, or other intellectual property right or any other right of any third party; (2) any local, state, or federal law, rule, regulation, decree, or order; or (3) any contract or other obligation to which I am legally bound.

I represent and warrant that I am fully authorized to grant the AMA the right to use said materials.

I grant the AMA the right to file the materials in AMA records, to publish the materials in AMA publications, to post the materials on the AMA websites, and to make them available to AMA members.

I waive the right to object to the manner in which the materials are used by the AMA or its members.

I have received, read, and agree to the terms and conditions of the AMA's National Records program.
