The AMA National Fun Fly | June 23–25

Want to make new friends, fly your favorite aircraft, and eat? Three days of flying with dinner and a membership meeting Saturday night!. modelaircraft.org/funfly

MultiGP International Open | June 28–July 2

The spectacle of FPV drone flight, fast and controlled, is everywhere. Watch the world's fastest pilots compete at the beautiful International Aeromodeling Center (IAC). Other attractions include an FPV Sports Summit, FPV workshops, plus the Vendor Village. multigp.com

Air Power Over the IAC | Aug. 31–Sept. 3

Love history? Love high speeds and exciting demonstrations? Don't miss this year's Air Power Over the IAC Campaign. Pilots from throughout the country visit AMA to fly their military reproduction aircraft. rcairpower.com
