Application For National Record – Indoor Free Flight

This form must be filled out and mailed within fourteen (14) days of the record attempt flight.

Claimant Information (PLEASE PRINT)

Name: AMA Number:
Mailing Address: Email Address:
City: State: Zip:
Daytime Phone: Evening Phone:
Date of Birth: Signature:

Please record my claim in the following category: Meet held in the USA. Meet held outside the USA.

Name of meet: Event sanction no.:
No. of contestants: Date of flight: Time of launch:
Time zone: Event no. (from Competition Regulations):
Ceiling category height: Category I <26' 3" (<8 meters)
Category II Between 26' 3" and 49' 2.5" (8-15 meters)
Category III Between 49' 2.5" and 98' 5" (15-30 meters)
Category IV >98' 5" (>30 meters)

Actual measure of ceiling height (optional): Temperature at time of launch (optional):
Name of site: Site location (City/State):

Age classification: YJ YS A
Youth-Junior (age 0-14 by July 1), Youth-Senior (ages 15-18 by July 1), or Adult (age 19 or older by July 1).

NOTE: Must also include any additional information applicable to CIAM record homologation (ceiling, height, wind velocity, etc.).

FOR NON-GLIDER EVENTS ONLY:

OFFICIAL DURATION: Minutes: Seconds:

Table with columns: Watch Time, Prop Stop Time, Actual Flight Time. Rows: Timer 1, Timer 2.

FOR GLIDER EVENTS ONLY:

OFFICIAL DURATION: Minutes: Seconds:

Table with columns: Best Flight, 2nd Best Flight. Rows: Timer 1, Timer 2.

For Indoor Record Trials, the signatures of two (2) timers are required.

Table with columns: Signature, Name (printed), AMA No. Rows: Timer 1, Timer 2.

Model Processing: The Contest Director will ensure that the restrictions of the model event are met using accurate scales and measuring devices. Contest Director: Please complete all areas required for processing particular model. (Three-view sketch should also contain this information.)

Wingspan: _____ Wing area: _____ Wing chord: _____
Original design: _____ Kit manufacturer: _____
Total weight: _____ Stabilizer span: _____ Stabilizer chord: _____
Rubber strand length: _____ Magazine plan publication: _____
Fuselage length: _____ Fuselage cross section: _____
Propeller diameter: _____ Pitch: _____ Overall length: _____

1. All measurements and restrictions of the model meet the specifications of the *AMA Competition Regulations* and the model or flier is believed to have bettered the existing record of the model aircraft as described herein.
2. All criteria pertaining to the timing of the flight are met.
3. All information provided on this sheet is accurate.
4. This report **MUST** be accompanied by a three-view sketch of the model, when it is an original design, with all pertinent dimensions and material notes attesting that the model meets the rules.
5. The information provided on this sheet will be used by the Contest Board for verification. It will be filed in the records of the Academy of Model Aeronautics and may appear in AMA publications. Submission of the data will in no way interfere with the rights of the designer. **Failure to comply with any of these requirements will be considered sufficient cause for rejection of the report by the Contest Board.**

This application must be accompanied by a three-view sketch of the model when it is an original design. The sketch will include all pertinent dimensions, materials and mechanism notes used for the flight. The sketch will include all information showing that the model meets the rules.

I represent and warrant that the materials I have provided to the AMA in connection with Paragraph 4, hereinabove ("the materials") do not and will not infringe on (1) any copyright, trademark, patent, or other intellectual property right or any other right of any third party; (2) any local, state, or federal law, rule, regulation, decree, or order; or (3) any contract or other obligation to which I am legally bound.

I represent and warrant that I am fully authorized to grant the AMA the right to use said materials.

I grant the AMA the right to file the materials in AMA records, to publish the materials in AMA publications, to post the materials on the AMA websites, and to make them available to AMA members.

I waive the right to object to the manner in which the materials are used by the AMA or its members.

I have received, read, and agree to the terms and conditions of the AMA's National Records program.

Signed: _____ Name (printed): _____

Date: ____ | ____ | ____

All application material must be submitted in one package, full completed, signed, and dated, in order to be considered a complete application.

Submit your completed application to: **Academy of Model Aeronautics, 5161 E. Memorial Dr., Muncie IN 47302**

Personal information will be kept private only upon request.

Meets held in the USA (PLEASE PRINT)

Contest Director's Statement:

Contest Director (please print): _____ AMA No.: _____ Date: ____ | ____ | ____

Contest Director's signature: _____ Phone: (____) _____ - Revised 03.30.2016

Mailing address: _____ Email address: _____

City: _____ State: _____ Zip: _____

Meet held outside the USA

World Championship Director:

Name (please print): _____ Date: ____ | ____ | ____

Signature: _____

NOTE: A document must be attached to the record application which attests that the model and the conditions under which it was flown meet all the criteria for the event in which it was flown. The document must be endorsed by the Director of the World Championship. The record, if homologated by the appropriate Contest Board, will be posted in the appropriate category with records set in the United States, and will not be differentiated from them in any way.

FOR CONTEST BOARD USE ONLY

Record approved by: _____ AMA Number: _____
