Embry-Riddle Aeronautical University to Sponsor UAS4STEM Program

The Academy of Model Aeronautics' Education department is pleased to announce that Embry-Riddle Aeronautical University will be the brand sponsor of the UAS4STEM Search and Rescue Challenge for the 2016-2017 school year. This sponsorship will help further promote Science, Technology, Engineering and Math (STEM)-related learning and careers across the country. UAS4STEM is an educational program designed to encourage students to explore the sUAS (drone) phenomenon through teamwork and competition. AMA and the university support nurturing the growth of aviation participation among youth.

AMA is now accepting [teams and sponsorships](#) for 2017 UAS4STEM challenges. Don't miss this opportunity to be part of this rewarding competition.
