

THE MOBILE RC EXPERIENCE

Share the joy of model flying with guests and attendees at your next event!

Factors that go into scheduling the AMA Mobile RC Experience

What is the distance?

Does it conflict with other AMA events?

When is the event?

Can we schedule multiple appearances on the same trip?

We do our best to accommodate every request. To showcase the AMA Mobile RC Experience at your event, we ask you pay a flat \$250/day fee to cover staff travel plus \$0.56 per mile for fuel. The fee final will be quoted when we've checked our calendar against your event and calculated all expenses. We will make every effort to reduce costs by consolidating trips.
