## AMA Competition Regulations Rules Change Proposal Form

**The current issue of the Competition Regulations must be referenced.**

Proposal Number: IFF24-01

Received Date: 3/10/2023

Revised Date:

Version Number:

**Proposal Type:** Basic

**Applicable Competition Regulations this proposal relates to:**

Indoor Free Flight

**Give Brief Summary of the Proposed Change:**

It has been an unwritten rule at Indoor contests that an official flight can only be scored in one event at a time, and must be declared before the flight has been taken. This proposal puts that into writing so it no longer is an "unwritten" rule.

**State exact wording proposed for the Competition Regulations. List paragraph number where applicable. Example: Change "quote present rule book wording" to "exact wording required".**

Add the following to section 10

"10.1 Classification of an official flight: For competition purposes, an official flight shall be recorded in one event only. The event shall be declared by the competitor prior to the start of their official flight. This limitation does not prevent the setting of multiple records with one flight as permitted under the multiple records section of the general rules. "

**State logic behind proposed change, including alleged shortcoming of the present rule(s).**

It has been an unwritten rule at Indoor contests that an official flight can only be scored in one event at a time, and must be declared before the flight has been taken. For example, an official flight taken in Limited Pennyplane cannot be scored in both Limited Pennyplane and Pennyplane. It is a common practice we all follow, but there is actually nothing written in the Indoor rules in this regard.

**If this proposal is for a new event, include all event test data/information here. Please provide information on what testing of this new event has taken place to include number of participants and number of contests.**

N/A

**State effect, if any, on current AMA records:**

None.

**Note: The Contest Board Chairman may, in coordination with the submitter of the proposal, at any time prior to submitting a proposal to the contest board for Final Vote, edit proposal wording to increase clarity and to avoid ambiguity, provided the proposal intent is not changed.**
