Youth Leadership Award winner

If you know of a well-deserving youth who could use a sponsorship to attend, please apply now!

Camp AMA 2015

The San Fernando Radio-Controlled Model Airplane Club, AMA Chartered Club #152, hosted the SAE Aero Design West competition. Third place went to Georgia Tech. Thirty-three teams attended the competition. The University of California at Los Angeles, won DBF. Second place went to the University of California Irvine, and third place went to Georgia Tech. Georgia Tech's entry was a half scale aircraft named "Eagle." Overall, 408 flights were flown with 121 resulting in a successful score. This was the first time a team from outside the US has won the competition. Sixty-five teams representing 65 different universities attended the flyoff. Modelplex Park Association(TIMPA) field the weekend of April 10-12.

2015 AIAA Design Build Fly Contest

In all, more than 650 students and faculty were present. Of the 262 official flight attempts, 121 resulted in a successful score with 56 teams placing. The 2015 American Institute of Aeronautics and Astronautics(AIAA)/Cessna Aircraft/Raytheon Missile Systems Design-Build-Fly(DBF) competition flyoff was held at the Tucson International Airport on April 11, 2015. The contest was sponsored by AIAA and Cessna Aircraft with Raytheon Missile Systems.

Astronautics(AIAA)/Cessna Aircraft/Raytheon Missile Systems Design-Build-Fly(DBF) competition flyoff was held at the Tucson International Airport on April 11, 2015. The contest was sponsored by AIAA and Cessna Aircraft with Raytheon Missile Systems. AIAA was founded to promote the advancement of science and aeronautics and astronautics for the benefit of humanity. The contest was held on April 10-12, 2015.

2015 Toledo Show recap

Weak Signals Toledo Show: R/C Model Expo! Revisit some of our favorite moments, watch highlights of the event, see some awesome products and fun activities, and take a look back at some of the many different events that make this the largest R/C event in the USA! Weak Signals Toledo Show: R/C Model Expo!

National Model Aviation Day, August 15, 2015. National Model Aviation Day is a day to celebrate the fun and inspiration of the hobby.model flying. We hope you'll be able to join us for National Model Aviation Day this year. National Model Aviation Day was created to encourage clubs to celebrate the hobby and share it with the public. For the third year in a row, all club efforts will support Wounded Warrior Project.
