AMA Foundation for the Future Sweepstakes Winner Selected

Congratulations to Nathan Metzler (Davis, CA), winner of this year's AMA Foundation for the Future Sweepstakes. Nathan has won a ride in Lady Alice, a P-51 Mustang during AMA Expo West in Ontario, CA.

Muncie, IN—The Academy of Model Aeronautics (AMA) Foundation is pleased to announce the winner of the AMA Foundation for the Future Sweepstakes. Nathan Metzler, of Davis, California was randomly chosen from thousands of entries received online.

The Foundation for the Future Sweepstakes challenged entrants to make a voluntary donation to the AMA Foundation to help build a foundation for the future. In total, roughly \$65,000 was raised for AMA's benevolent programs during the sweepstakes entry period. The AMA Foundation staff and board of directors would like to thank everyone who supported this campaign. The AMA Foundation would also like to thank Dr. Kendall Wagner for his continued support of the AMA and AMA Foundation with the donation of the ride.

This year's winner will receive round-trip airfare to Ontario, California; a three-day/two-night stay at DoubleTree by Hilton; free admission to AMA Expo West; a rental car and a spending stipend; and a once-in-a-lifetime opportunity to ride in Lady Alice, a full-scale P-51 Mustang.

The AMA Foundation is committed to providing resources for the next generation of aviators through AMA scholarships, club and flying site support grants, AMA Flight School and e-learning opportunities, and the preservation of more than 11,000 artifacts in the National Model Aviation Museum, located in Muncie, IN.

For more information about the AMA Foundation, and the AMA Foundation for the Future Sweepstakes visit amafoundation.modelaircraft.org.

###

The Academy of Model Aeronautics, founded in 1936, continues to be devoted to national airspace safety. It serves as the nation's collective voice for approximately 200,000 modelers in 2,400 clubs in the United States and Puerto Rico. Headquartered in Muncie, Indiana, AMA is a membership organization representing those who fly model aircraft for recreation and educational purposes. For more information, visit www.modelaircraft.org.
