Warbird air show to be held at AMA Labor Day weekend

The International Aeromodeling Center, home to the AMA, will host the Indiana Warbird Campaign on Labor Day weekend.

Muncie, IN—AMA will host the 16th annual celebration of Indiana Warbird Campaign, August 28 to 31, 2019.

This weekend's event is only \$5 per carload and includes an air show at 12:30 p.m. on Friday and Saturday, several military-themed vendors, and a variety of Giant Scale RC airplanes on display. All models are designed to replicate World War I and World War II aircraft.

This year's air show theme is Salute to D-Day. The choreographed show includes a special thank you to our veterans and active military. Special effects during the show will include the use of pyrotechnics! Night flying will begin at 6 p.m. Pilots are encouraged to bring their planes with lights to light up the night sky.

While on-site, don't forget to stop by the National Model Aviation Museum. The museum, which is the largest of its kind in the world, will be open all weekend from 10 a.m. to 4 p.m.

Visit the AMA at 5161 E. Memorial Drive this Labor Day weekend for aviation-themed fun! For more information regarding events sponsored by the AMA, visit www.modelaircraft.org.

###

The Academy of Model Aeronautics, founded in 1936, is devoted to national airspace safety. It serves as the nation's collective voice for approximately 180,000 modelers in 2,400 clubs in the US and Puerto Rico. Headquartered in Muncie, Indiana, AMA is a membership organization representing those who fly model aircraft for recreational and educational purposes. For more information, visit www.modelaircraft.org.
