Looking for resources you can share with your club members? Check out AMA Flight School!

The 411 on AMA's insurance

It is important to understand that the information we share will provide general guidance and should not be interpreted as a final coverage determination of a situation.

Flying site property owner insurance
Most property owners want to be assured that they are protected if they allow a club or an event to use their property as a flying site.
Support the hobby with a tax-deductible donation

Did you know that 10% of donations raised by charities in the US are made on the last three days of the year? There are many reasons for this, but the end of the year is an important part of the AMA Foundation's fundraising schedule as well. If you have not made your annual contribution, there is still plenty of time.

Donations to the AMA Foundation provide funding to continue to build current programming and create new programs. Your support will help ensure that model flying continues as a well-respected hobby and sport, while encouraging it as an activity that will support the future.

This has been a great year, but we need your help to reach our fundraising goal of $225,000 to start 2018 off right! Donate to the AMA Foundation by December 31, 2017, to ensure that your contribution counts for 2017.

Non-recreational pilots want to practice at our field. Now what?

Model aircraft have flown recreationally within the safety guidelines of the AMA for more than 80 years and have achieved an excellent safety record. Find out how to safely integrate commercial flights at your flying site.

AMA Expo West

Many exhibitors, as well as aviation and aerospace experts, will greet thousands of attendees at AMA Expo West this year.

The three-day AMA Expo provides a "whole family" experience for longtime modelers and newcomers to the hobby, as well as enjoyment for all who love flight. The Expo offers the latest products in RC model aviation, demonstrations, interactive displays, and exploration of the intricacies of flying model airplanes, helicopters, rockets, gliders, and more.

Don't forget about AMA Expo group-rate tickets!

Order 10 or more tickets for AMA Expo West and receive the group-rate price. Please tell your club members today and plan to attend AMA Expo West 2018! Individual ticket sales are also available.

Don't forget, AMA Expo East in Secaucus, New Jersey, is scheduled February 23-25, 2018!
